Among the items that were not on my BINGO card last May was that the new Pope would be a guy named “Bob” from Chicago. So, when Cardinal Robert Prevost from St. Mary’s Catholic School on Chicago’s southside was duly elected and announced as Pope on May 8, jaws dropped.

An American? A Chicagoan? A White Sox fan? A Bears fan?

As we have grown to know Pope Leo XIV better, pleasant surprises keep coming, including his June 15 homily for Trinity Sunday. That day was also the “Jubilee of Sport” as planned in the Jubilee Year celebrations initiated by the late Pope Francis.

In his homily, the Holy Father deftly wove both themes for his hearers:

“This combination of Trinity and Sport is somewhat unusual,” he acknowledged, “yet the juxtaposition is not inappropriate. Every good and worthwhile human activity is in some way a reflection of God’s infinite beauty, and sport is certainly one of these. For God is not immobile and closed in on Himself, but activity, communion, a dynamic relationship between the Father, the Son, and the Holy Spirit, which opens up to humanity and to the world,” the Pope observed.

He then highlighted three ways sports are “a precious means for training in human and Christian virtues.” His insights provide wisdom for all of us—athletes, coaches, parents, and fans:

1. Team sports teach “the value of cooperating, working together, and sharing”—which is “the very heart of God’s life.”
2. “In an increasingly digital society,” sports bring people together and provide “a healthier sense of the body, of space, effort, and real time.” Sports also help “to preserve a healthy contact with nature and real life, where genuine love is experienced.”
3. Sports also teach us about our human imperfections and “how to lose,” for “Athletes who never make mistakes, who never lose, do not exist. Champions are not perfectly functioning machines, but real men and women, who, when they fall, find the courage to get back on their feet.”

He encouraged athletes in their mission “to reflect in all your activities the love of the Triune God.” And he concluded his homily with the reminder of “the greatest victory of all: the prize of eternal life on that playing field where games will never end and our joy will be complete.”

HOW SHANLEY SOFTBALL FOUND ITS FUTURE AT BENNETT FIELD

By Jayne Gust, Shanley Athletic Club

For years, Shanley softball made its home inside Sid Cichy Stadium—a place rich with tradition but never designed to serve two sports at once. When the school added a track to the stadium, the field's dimensions shifted, causing the space to no longer work for high school softball.

In the spring of 2024, JPII Schools began exploring options. The mission was set to find a field close to Shanley that could serve as a dedicated home for the softball program. That search led to conversations with the Fargo Park District, Fargo Fastpitch, and Fargo Youth Baseball; these were partners who shared a commitment to growing youth sports in the community.

Bennett Field, located at Bennett Elementary and owned by the Fargo Park District, quickly rose to the top due to its proximity to Shanley and availability. What started as a simple inquiry soon evolved into a collaborative vision. Through ongoing conversations and a developing partnership between the Fargo Park District and Fargo Youth Baseball, a plan took shape to share Bennett Field and renovate it to meet high school softball standards.

The upgrades were significant and essential:

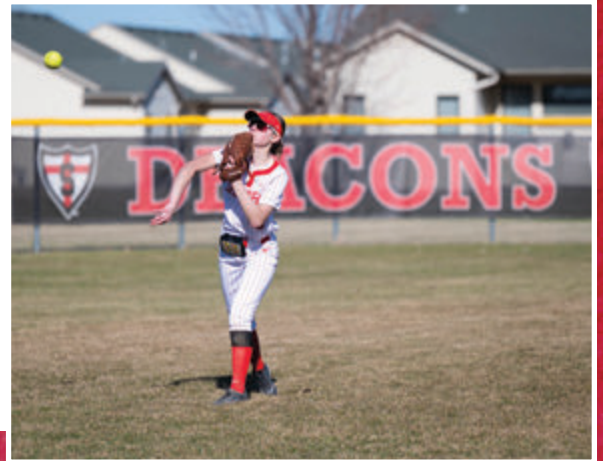

- **Enclosed foul line fencing** to create a true softball boundary
- **Grandstand bleachers** along both foul lines
- **A new electric scoreboard**
- **Shanley branded wind screens** on the outfield fence

The goal was to debut the field in spring 2025, but North Dakota weather and its impact had other plans. By early 2025, it became clear the field wasn't ready as winter damage left the field unusable. The Fargo Park District, who maintains the turf, committed to restore the field and set a plan in motion to level the dirt infield, smooth the transition between grass and dirt, fill holes across the outfield, and re-sod large, damaged areas to meet the quality standards agreed upon. While the work continued throughout the Spring and Summer of 2025, Shanley formalized its five-year agreement with the Fargo Park District and Fargo Youth Baseball. The agreement, while delayed, officially starts with the Spring 2026 season, extending through Spring 2030.

For Head Softball Coach Dale Dingmann, the journey to a true home field has been deeply personal. Dingmann stated, "As a coach, I've watched the girls grind through practices and games on borrowed fields and makeshift diamonds for years. From playing on the football field, to borrowing fields wherever we could find, we finally have a home. Because of the generous commitment from the Shanley Athletic Club, this new home softball field changes everything and finally gives these players a place to build something special for Shanley Softball." His words capture that the new field represents not just a place to play, but a foundation for pride, identity, and growth.

The Shanley Softball Team officially played its first game at Bennett Field on Tuesday, April 21st, when the Deacons took the field against Fargo Davies. This marks not just the start of a new season, but the beginning of a new era. Bennett Field is more than a renovated diamond. It's a testament to collaboration, resilience, and belief in what student athletes deserve. It's a home built through partnership that creates a future built for Shanley softball.

Effort Above All Else

NATHAN ANDREWS '24

By Sheri Stockmoe, Shanley Athletic Club
Photos by University of Mary

It's race time, and Nathan Andrews is ready. He's spent hours on the track and in the weight room. Still, nerves return before every race. As he takes his mark, energy surges through him. When the starting gun fires, nerves vanish. For those seconds, he's focused and calm, giving his all. Crossing the finish line, he feels proud—not for his time, but for his best effort. That effort, above all, defines his success.

STRONG ROOTS

Nathan graduated from Shanley in 2024 and played soccer, basketball, and track. "My greatest athletic accomplishment was winning the state soccer championship my senior year," He says about his time as a Deacon.

He earned All-EDC honors in soccer, qualified for the state track meet in the 800m, and was named track team MVP.

Nathan is the son of Akua and Anthony and has five younger siblings: Rachel (18), David (16), Joel (13), Elisha (9), and Abisha (4). "My heroes are my parents," Nathan says.

Akua and Anthony are from Ghana and immigrated to the U.S. "They gave up everything familiar and came to a new place so we could have better lives," Nathan shares. "This shows true selflessness and sacrifice."

THE MARAUDER

Nathan chose to continue his education and track career at the University of Mary. He is majoring in Cybersecurity and minoring in Coaching and Sports Studies. "At UMary, I saw an opportunity to grow not only physically but also mentally and spiritually," he says. "Faith has impacted my life in many ways during high school and now in college. I feel like it is an important factor in where I am today, and without it, I would not be anything."

Nathan redshirted his first year at UMary, which meant he didn't compete but still practiced with the team and kept his four years of eligibility. "I redshirted because I wanted to build a foundation of strength and speed going into my first year of competition," he explains. "You have to trust the process and be patient. During the year I redshirted, I had doubts about whether this was worth my time or if I could be doing something else. But, by trusting the process, I was able to overcome those thoughts and push through adversity.

Looking back on that year, Nathan sees that he gained confidence and learned what it takes to compete at the college level. In his first chance to compete since high school, he proved he was ready.

In his first-ever race with the Marauders, Nathan won the 600m and set a new school record. His time of 1:19.94 was more than a second faster than the previous record.

Nathan kept improving, and at the Northern Sun Intercollegiate Conference Indoor Championship, he won the 600m and broke his own school record with a time of 1:19.93. He also helped his 4x400m relay team finish third. For the season, he also posted top-15 times in the NSIC for the 800m (8th) and the 400m (13th). He was named the conference's Freshman of the Year for the indoor season.

"Something I love about track is that even though you might be racing alone, there's still a team aspect," Nathan says. "Training with the right people and being around others who want you to succeed can help you reach your full potential."

Looking back on his record-breaking season, what is Nathan most proud of?

"This may be unorthodox, but I am most proud that during the 600m finals at the NSIC Championship, all my training group teammates placed in the top 8 and earned medals. We all put in countless hours of effort, so seeing them succeed felt well deserved."

JUST THE BEGINNING

A good track athlete needs perseverance, grit, positivity, determination, and faith. Nathan knows he started building those qualities at Shanley.

"I want to thank Coach Landman, Coach Falde, and Coach Foerster. They helped shape me into the athlete and person I am today. They took the time to train me and saw potential in me that I didn't see in myself, and I'll always be grateful for that."

Ahead of the outdoor season, the UMary men's track and field team was picked 2nd in the NSIC Preseason Coaches' Poll, and Nathan was named the team's track Athlete to Watch.

Nathan doesn't focus on awards, but he admits that the recognition shows his hard work is being noticed. In his first outdoor meet, Nathan lived up to expectations by winning the 400m with a time of 48.96.

"The best compliment I've received was from my college coach recently. He told me I'm bound to go far because of how determined and driven I am," Nathan says with a smile.

He knows effort, above all else, defines his success. And he's just getting started.

THE ST. JOHN PAUL II CATHOLIC SCHOOLS CREST

THE FLAME

The Flame represents the Holy Spirit and the light of faith and knowledge. A lantern flame is also a traditional symbol of the Sisters of the Presentation of the Blessed Virgin Mary, founders of our Catholic schools.

THE SEQUELA CHRISTI

"Following Christ"

St. John Paul II tells us; *"at the heart of catechesis we find, in essence, a Person, the Person of Jesus of Nazareth, the only Son from the Father...full of grace and truth, who suffered and died for us and who now, after rising, is living with us forever. It is Jesus who is the way, and the truth, and the life, and Christian living consists in following Christ, the sequela Christi."*

THE CROSS

The Cross represents Christ. It is the focal point of our belief: Jesus died on the cross to redeem humanity. The cross calls us to offer our sufferings and sacrifices for God, family, and neighbor. At the foot of the cross is Mary.

THE "M"

St. John Paul II was well known for having a deep and abiding love for the Blessed Virgin Mary. His devotion to her was evident in all that he did: his teaching, his prayer life, even his papal motto and coat of arms were dedicated to the Blessed Mother. ***Totus Tuus** - "I totally belong to you."*

MISSION STATEMENT

As followers of Christ, the mission of St. John Paul II Catholic Schools is to teach the total person by inspiring virtue and excellence, as taught by the Catholic Church.

THE SHIELD

THE DEACONS

Our nickname, "Deacons," was adopted in the fall of 1934 for the teams of Sacred Heart Academy, forerunner of Shanley High School, and has been used ever since.

It is especially fitting for Catholic schools, since it is derived from the Greek and literally means "servants" or "those who serve" (Acts 6). The Catechism of the Catholic Church tells us that Jesus "made Himself the 'Deacon' or servant of all" (CCC 1570).

In light of our schools' mission, identity, and nickname, we expect our students to excel in serving God and neighbor.

THE SHIELD

The Shanley Shield first appeared on football helmets in the fall of 1973. It was designed by Shanley art teacher Sr. Mary Virginia Deibert, PBVM with the help of her art students.

The shield signifies strength. The cross of Christ is centered on the shield as it is the center of our Catholic faith. The "S" represents "Shanley" high school, named for Bishop John Shanley (1852-1909), who served as first bishop of the Fargo Catholic Diocese.

Graduation from Shanley High School is the capstone for the St. John Paul II Catholic Schools student experience as Deacons.
