Through the commitment to Catholic education, we recognize the opportunities to help young people grow in faith, foster a sense of ministry, and to advance a just and caring society.

St. John Paul II Catholic Schools provide a quality educational environment which enables each student to recognize his/her individual dignity, faith and talents as gifts from God, to be nurtured, developed and shared in a Christ-like manner within a Catholic and global community.

St. John Paul II Catholic Schools are committed to making a Catholic School Education available to every family and to creating an environment in which the relationship of the family, school, and community unite to guarantee the fullest development and growth of each individual student.

**Mike Hagstrom**  
President, JPII Catholic Schools

Greetings Deacon fans! If you're reading this at an in-person Shanley activity, it means we have overcome some remarkable hurdles to get here.

First, thanks to all our Deacon athletes for their courage, discipline, and dedication in readying themselves to participate in such a surrealistic sporting landscape.

Second, thanks to Mr. Breker, our coaches, and all staff members for the phenomenal work of preparation and leadership in this most unique school year.

Third, thanks to all our activity parents and to the Shanley Athletic Club for their steadfast support and cooperation in facing the challenges.

Finally, thanks to all the North Dakota activities directors and administrators as well as education and health department officials for their collaboration and guidance. It's not trite to repeat that, "We're all in this together." Together, let's beat COVID-19.

Your commitment and efforts to overcome the hurdles thus far have been inspiring. Go Deacons!

*Mike Hagstrom is in his fifth year of service as President of St. John Paul II Catholic Schools and Director of Catholic Schools for the Diocese of Fargo. Previously, he taught Religion at Shanley High School for 31 years. He and his wife, Shawn, have two children (Therese '08 and Joseph '16) and two grandchildren (James '32 and Oliver '32).*

## **SHANLEY ATHLETIC CLUB**

Shanley Athletic Club has a long history of helping student athletes in the JPII network. Our mission statement is “Taking Deacon Athletics to a Higher Level”. Our volunteer board has provided athletes with support that allows them to do just that. We have been blessed with many volunteers over the years that have shared their time and talents in order to uphold our mission. We work closely with the Activities department to meet the needs of the Deacon student athletes participating in all sports, not just a few.

Please visit the Shanley Athletic Club website for more information.

## **SPECIAL THANKS!!**

Shanley Athletic Club would like to take this opportunity to give a heartfelt thanks to Janelle Pederson. Janelle served on the SAC Board for many years sharing her time and talents. Since her boys have graduated from Shanley she continues to contribute by helping with the Fall and Winter sports programs. Her proofreading, organization and knowledge are all invaluable. Janelle - thanks for all you do!

~ SAC Board

# LUCAS JOHNSON

By Greta McArthur

Coming from a family that plays a lot of golf and knows about golf, it was set in stone Lucas Johnson would be playing the lifelong sport as well. Lucas is a 2017 Shanley grad who is best known as one of Shanley's top golfers during his time there. From the people closest to him, the word nerd gets thrown around a lot due to his Star Wars knowledge, but they also describe him as a good listener, intelligent, and caring.

## Career at Shanley

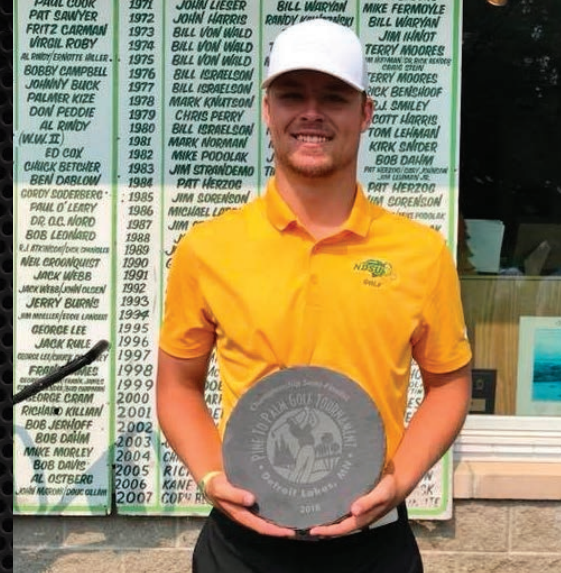

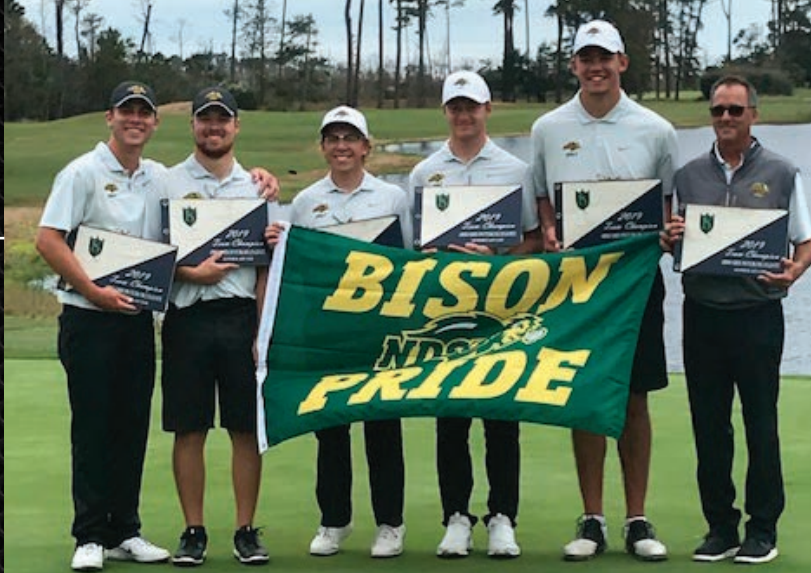

Not only did his family participate in golf, but many of them also went to Shanley High School. Lucas mentioned there is a long line of family from his dad's side that attended Shanley, which include his dad and his siblings, and his grandpa. His grandpa, Don Johnson coached the boys and girls golf teams for many years, more than thirty on the boys' side. Don's wife and Lucas's grandma, Carolyn also coached the girls. Lucas did nothing but improve in his high school golf career and had many accomplishments. As a freshman, Lucas had a regular season average of 82 and was part of the team that achieved the state title. In 2015, he improved his average to 78.5, which was fifth in the EDC and was a part of the runner-up team. His junior year, his average lowered to 75 and climbed his way up to third in the EDC. The team also won the state championship that year. His senior year, he finished with an incredible regular season average of 73.14, which was second in the EDC. Lucas also participated in football, band, Shanley TV, hockey, choir, student ambassadors, and student council.

Lucas had a lot of favorite memories about Shanley, but one in particular would be participating in Shanley TV with Jed Thomas. "It was a ton of fun to be up in the booth with him and get to call such a wide variety of sports. Specifically, the Shanley versus St. Mary's football game was probably my favorite." Lucas represented Shanley by showing excellence not only in the game of golf, but by acting as a deacon to those around him. He gave some insight into what he learned from going to school at Shanley, "Shanley's taught me how important it is to give back and to help out in the community. It's a great way to strengthen my relationships and build new ones."

## Other Golf Accomplishments

In the summers of his high school years, Lucas had even more success on the golf course. In 2015 and 2016, he was the Fargo Moorhead Junior All City Champion and qualified for the IMG World Junior Tournament at Torrey Pines in California. This tournament is known as one of the most prestigious

international events for juniors in the world. In addition, he was a three-time Minnesota PGA Valspar Junior Tour Champion and eight-time Steve Weidner F-M Junior Tour Champion.

### Continuing Success at NDSU

Lucas Johnson, a senior, is now currently on the NDSU golf team. His hard work and determination have continued to grow, and it is shown through his accomplishments. Coming in as a freshman, there were eight members on the team including Lucas and the top four competed in all eleven tournaments, Lucas was one of them. During this year, he had a pair of top ten finishes, one of which was at the Summit League Men's golf Championship that the team won. He posted a career-low-three-round score of three over par 216, shot a season best round score of one under par seventy, and more. The next season, as a sophomore Lucas ranked third of the team and shot another season low of 69. His junior year, he ranked third on team with an average of 73.53 over fifteen rounds, which is the tenth best average in school history. Again, he continued to improve his career best to 68 and had a top ten finish, placing tied for sixth. Lucas ranks fourth in NDSU history with a 74.53 career stroke average. NDSU golf did not compete later that spring due to COVID-19 and only played in one event this past fall. Lucas does plan to continue to compete for one more year due to the pandemic and said, "Coach Kennedy was gracious enough to have me back and it's tough to say no to another year of traveling the country to play golf."

### Relationship with His Grandpa

Lucas Johnson was very lucky to be coached by his grandpa, Don Johnson, and he continues to use the lessons he learned from him, not only in golf but in everyday life. "Oh man, there's so many lessons from him. Golf related it would be that golf is just a game. Gotta learn to have fun with it. I think this can be said for any sport. There's so much more to life than a sport and the purpose of the sport is to have

fun. In life, it wasn't so much what he said but just how he lived, is that last couple weeks when he was sick there was an opportunity for him to do things he always wanted to do and go places he wanted to go. When we asked, all he said that he wanted to spend it with his family. He lived his life to the fullest while he could. Then when it mattered most, he just wanted to be with family. That's what mattered most to him. I'll never forget the last hole I played with him; he was stilling giving putting lessons until he couldn't stand. I switched my grip because of him. He was a heck of a guy."

### Faith, Academics, After College

Faith is a big part of Lucas' life, and he uses it in the game of golf as well. "Faith has definitely been a strong part in my golf life. Golf is such a frustrating game and is so inconsistent. But faith is the opposite. It's so constant and there's always someone to listen. I think it is a great way to escape from all the emotions of golf and just relax." Lucas' successful follows him outside the golf world as well, he was also selected to be in the Summit League Academic Honor Roll. He manages school and golf by making sure he sticks to his schedule and be disciplined with it because it is very important. The biggest key he mentioned is going to class because you are on your own unlike high school. Also, he makes sure he sets time aside for homework and a time for golf. After college, Lucas plans to get into the golf business like his dad. "If things go well the next couple years, I might try and play professionally. But we got some work to do before that," he said with a chuckle.

*Greta McArthur is a Senior at Shanley High School. She's involved in Shanley TV, Student Ambassadors, and Golf. Greta placed 2nd at the 2020 Girl's Golf State Tournament, and led Shanley to its first State Championship since 2007. Greta was a 3-year captain and will be furthering her golf and academic career at St Catherine's University in St Paul, MN.*

## Tony Paper

Head Coach

I was born September 10th, 1970. I graduated from Fargo South in 1989 and the University of Minnesota in 1994. I have been married for almost 25 years to my wife Brenda and have two kids, Jake- 21, attending MSUM and Alyssa- 18 attending St. Thomas University. Basketball has always been a huge part of my life. In high school I was on the all EDC team and all state team and I was nominated for the McDonalds All American team in 1989. I have been refereeing basketball for over 20 years from 4th grade up to high school level. I have been coaching travel basketball for over 15 years, both boys and girls, and boys AAU basketball for over 6 years at the high school level. Fargo Shanley is my first school affiliated position which has been a fun, rewarding, and humbling experience.

# THE 2019-2020 GIRLS BASKETBALL SEASON

By Lydia Mattern

**M**onday, November 23, is a date that gets marked in the calendar of every high school basketball player in the state of North Dakota. This date marks the first day of practice and the official start to the journey to the state tournament in March. For the Shanley Deacons Girls Basketball team, this journey wasn't an easy one and the end result, a heartbreaker.

We began our season with the iconic East-West crossover where we took on and defeated the Saint Mary's Saints at home 66 to 45. Then, we went on to play the West Fargo Packers where we kicked off our regular season 1-0. The Lady Deacs continued through the season, facing adversity, and pushing for our goal toward the state championship. We celebrated many wins and milestones including Hadley Huber scoring 1,000 points and Reile Payne scoring 2,000 points. With the rest of the season looking bright for the Deacons, there was nothing, we thought, could bring us down.

We headed into the EDC tournament ready to go! Knowing we were only one week away from our goal of the state tournament, we put it all on the line. For the first round, we hosted Valley City, beating them to earn our spot at the SHAC. We played Red River and West Fargo to finish the tournament locking in our spot as the three seed.

It is always an anxious, exciting time when the state tournament rolls around in March. Teams have been dreaming of and working for this moment all year long. Going into the tournament, we knew our first-round game against Bismarck Legacy would be a battle. The game went back and forth but the Deacons came out victorious! Round two, the Mandan Braves. It is always fun to play teams from out west because it is new competition and a faster game of basketball. On Friday, March 13th, we defeated

the Mandan Braves and were headed to the title game or, so we thought.

Growing up a basketball player, I went to Shanley games as often as I could. I had role models like Sophie Kenney and Lauren Rotunda that I watched play and worked hard to be just like. I watched countless players and many teams go before me, with hopes and a goal that I would be in their shoes one day. As a young player watching the state title game for many years, I visualized and anticipated how it would play out. The lights off, fog machine on, music playing. What color jersey would I wear, how the announcer would say my name and of course, the game itself. I dreamt of holding the trophy up with some of my best friends and having the satisfaction of being able to say, "our hard work has paid off."

After beating Mandan in the semi-final game on March 13th, this dream felt so close. Our energy was high and the team was so excited to play in the state title game the following day and then, we got the news. The Devils Lake/Fargo Davies game had just finished when the announcer came on and confirmed what moments prior, we had started to hear...the 2020 State Basketball Tournament had been suspended. My heart sank and the tears fell, it didn't feel real.

We gathered together and Coach Jacobson told us we were a state championship team and that we should be proud of ourselves, although we knew that he was right, it didn't take away the shock and hope that it only be suspended and that we would eventually have the chance to play in the game we had worked so hard to get to. We had a wonderful season where we accomplished many things as a team. Even though we didn't get to play that final game on March 14th, or any day after due to the tournament eventually being cancelled, we ended the season on a win and a fire in our hearts to come back stronger next year.

Headed into my senior season with COVID still impacting our world, causing a delay to our start and forcing to us to navigate the season in a different way than expected, I am nothing but grateful. I am grateful for the opportunity to be out on the court one last time with my teammates. Even though I am unsure of what the future of this season may hold, I know there is nothing like God's plan. I have learned many things as a basketball player at Shanley, but one of the most important is to not take a moment for granted because you never know when it will be the last time. So, as I mark my calendar for the 2020-2021 season, I reflect back on last year's season with determination and excitement to begin the journey to the state tournament in March.

*Lydia Mattern is a senior at Shanley and has been in the JPII Network since kindergarten. She plays basketball and soccer, is the Student Body Vice President, Student Ambassador President, and is very involved at school and in her community. She has a twin brother, Cooper and two younger siblings, Jax and Ily who she loves to hang out with. Lydia loves her time spent with family and friends, she loves a good book and a cup of coffee. The most important thing in Lydia's life is her faith and she is always seeking ways to grow closer to God. Lydia plans on attending College of St. Ben's next year!*

# SHANLEY TV

By Jeremiah Moore

Watching live sports on television has been an American tradition for a very long time. Everyone enjoys watching their favorite superstars or sports teams make incredible plays to score points for their side, and even watch it all crumble as the other team makes a stunning comeback. What we might never have imagined is that the tradition of sports broadcasting would one day be brought to the high school sports scene. But that's exactly what Shanley student Gabe Thomas did when he founded Shanley TV in 2015, alongside its advisor Shari McTaggart. Shanley TV has been a largely student-run broadcasting organization for Shanley's many high school sports for five years now, while Shari McTaggart, and later Jim Picard in 2018, watch over it all.

But it all began with one student: Gabe Thomas. He presented the idea of broadcasting sports, and got permission to do a basketball using his own camera and equipment. But if course, it grew far beyond that. To create something that would outlive his enrollment at Shanley, Thomas went to the Shanley Athletic Club, namely Athletic Director Michael Breker, to get funding for Shanley TV's own equipment. Mr. Breker saw a great opportunity for both students, and a way to promote the school, and spoke with the SAC who unanimously granted the necessary funds. It started with just four members, but the program picked up steam and has grown today to roughly 30 active members. The equipment has also been upgraded with time, including the addition of an advanced tricast that greatly improved Shanley TV broadcasting, and now matches that of local professionals.

Shanley TV today has some impressive numbers. So far we have broadcasted over 200 events from football to hockey, and 29 of those have occurred in just the fall of 2020. 46 games are projected to be broadcasted during this winter, including boys' basketball, girls' basketball, and hockey. Our crew boasts around 30 members as well as our two advisors. In the fall of 2020, we reached one million minutes watched, and that number has grown significantly reaching 1.7 million minutes watched later on in the year.

These numbers show the increasing value of a high school broadcasting network during a pandemic situation. With only a few spectators allowed, watching online has become the prime alternative, which is likely why we've seen such a rapid increase in minutes watched as of late. Friends and family may not be able to make it to see their athletes play due to the limited

seating, or simply because of other various circumstances. Shanley TV brings the game to you wherever you have internet access, so that social distancing doesn't have to stop you from watching the people and games you love to see.

As for the activity itself, Shanley TV has a wide variety of positions and people involved in the production of its broadcasts. One position is the tricast operator, who is responsible for which camera angles are seen by the viewer, as well as displaying the graphics like the scoreboard or advertisements. The scoreboard tech keeps track of everything going on via the scoreboard, including points and time. Two camera operators work together to bring interesting visual angles of the game. And lastly the color and play by play announcers work together to add vocal excitement to the match.

My journey with Shanley TV has only begun this year. My name is Jeremiah Moore, and I've been doing play by play for a couple of games now. As an avid public speaker, I was more than happy to seize yet another opportunity to share my voice with the world, and Shanley TV has given me a platform to do so. This activity means a lot to me, and everyone watching at home. Thanks for all your support, and I think I speak for all of Shanley TV when I say that we'll always continue to improve and do our best to bring Shanley sports to you!

**Scan the code for Shanley TV  
schedule and information!**

*Jeremiah Moore is a junior enrolled at Shanley High School. He lives with his parents and his brother Malachi, a freshmen at Shanley High School. Jeremiah is best known for his work with the fine arts (Student Congress, Debate, and Speech), but is quickly becoming a staple as a play-by-play announcer for ShanleyTV. In fact, he considers Radio-Style Speech the catalyst for being behind the microphone with ShanleyTV. When he's not behind the microphone or competing in the fine arts, Jeremiah can be found working at Hornbachers or competing in card games, table-top miniature games, and video games.*

The Deacon "42/43 Club" is a recognition program to honor student-athletes that have participated in two athletic activities (42 Club) or three athletic activities (43 Club) each year of their high school career. This is a program that Athletic Director Michael Breker started at Shanley five years ago and has also been implemented in other area schools. Congratulations to the 2020 Shanley graduates that achieved this recognition!

# THE ST. JOHN PAUL II CATHOLIC SCHOOLS CREST

## THE FLAME

The Flame represents the Holy Spirit and the light of faith and knowledge. A lantern flame is also a traditional symbol of the Sisters of the Presentation of the Blessed Virgin Mary, founders of our Catholic schools.

## THE SEQUELA CHRISTI

*"Following Christ"*

St. John Paul II tells us; *"at the heart of catechesis we find, in essence, a Person, the Person of Jesus of Nazareth, the only Son from the Father...full of grace and truth, who suffered and died for us and who now, after rising, is living with us forever. It is Jesus who is the way, and the truth, and the life, and Christian living consists in following Christ, the sequela Christi."*

## THE CROSS

The Cross represents Christ. It is the focal point of our belief: Jesus died on the cross to redeem humanity. The cross calls us to offer our sufferings and sacrifices for God, family, and neighbor. At the foot of the cross is Mary.

## THE "M"

St. John Paul II was well known for having a deep and abiding love for the Blessed Virgin Mary. His devotion to her was evident in all that he did: his teaching, his prayer life, even his papal motto and coat of arms were dedicated to the Blessed Mother.

*Totus Tuus* - "I totally belong to you."

## MISSION STATEMENT

To inspire excellence by teaching the total person and fostering the following of Christ, as taught by the Catholic Church.

## THE SHIELD

### THE DEACONS

Our nickname, "Deacons," was adopted in the fall of 1934 for the teams of Sacred Heart Academy, forerunner of Shanley High School, and has been used ever since.

It is especially fitting for Catholic schools, since it is derived from the Greek and literally means "servants" or "those who serve" (Acts 6). The Catechism of the Catholic Church tells us that Jesus "made Himself the 'Deacon' or servant of all" (CCC 1570).

In light of our schools' mission, identity, and nickname, we expect our students to excel in serving God and neighbor.

### THE SHIELD

The Shanley Shield first appeared on football helmets in the fall of 1973. It was designed by Shanley art teacher Sr. Mary Virginia Deibert, PBVM with the help of her art students.

The shield signifies strength. The cross of Christ is centered on the shield as it is the center of our Catholic faith. The "S" represents "Shanley" high school, named for Bishop John Shanley (1852-1909), who served as first bishop of the Fargo Catholic Diocese.

Graduation from Shanley High School is the capstone for the St. John Paul II Catholic Schools student experience as Deacons.
