

Greetings from the Shanley Athletic Club,

It is that time of year where we would like you to consider continuing your generous support of the Shanley Athletic Club. The Shanley Athletic Club helps provide funding for the John Paul II Catholic Schools athletic programs that are not covered by the administrative budget.

Our main income each year comes from ad sales in our Fall and Winter Athletic Programs. That, along with our membership dues, have enabled us to provide support in purchasing equipment and supplies needed by our athletic program to help "take Deacon Athletics to a higher level". We are moving forward with our ad sales for the upcoming school year. The money from all ads purchased goes directly to the Shanley Athletic Club Board, who then directs it towards specific needs as requested by the coaches.

As always, we are proud of all our athletes and how well they represent our school. We are especially excited this year to defend our State Championships in both Volleyball and Girls' Basketball, along with State titles in several individual sports.

Please review the enclosed copy of your ad from last year, update the necessary information and return as soon as possible to be included in our Fall Athletic Program. We appreciate any size ad and THANK YOU for your continued support of Deacon Athletics!

The Shanley Athletic Club

Shar Vetter
Shanley Athletic Club President
